

THE BEST EARLY ENTRY SAW **JUST GOT BETTER**

GC55 EARLY ENTRY SMALL PUSH SAW
NOW AVAILABLE WITH A VACUUM
ATTACHMENT OPTION

With a compact, light-weight design and the new addition of a vacuum attachment system, the Norton Clipper GC55 early entry saw is ideal for cutting green, cured or decorative concrete as well as expansion joints. The low, wide profile of the frame along with the front center mount blade, both contribute to producing a more disciplined cut.

NORTON CLIPPER GC55 EARLY ENTRY SMALL PUSH SAW

Reduce your saw inventory by introducing your fleet to the new Norton Clipper GC55 multipurpose concrete saw. With a compact, light-weight design the GC55 is ideal for cutting green, cured or decorative concrete as well as expansion joints. The low, wide profile of the frame along with the front center mount blade, both contribute to producing a more disciplined cut. With features such as 5.5hp Honda engine, 10" blade capacity allowing a 3-1/2" depth of cut and patented concave wheel design for smooth operation and straighter cuts, and the robust reinforced frame help make the GC55 the best single saw for many applications. Now in two models; our standard GC55 or our NEW GC55 VAC with Vacuum Attachment System. The GC55 and GC55 VAC include a wet kit for additional dust control.

PART #	MODEL	DESCRIPTION
70184630005 6	GC55	10" 5.5hp Multi-Purpose Saw. Includes wet kit. Vacuum not included.
70184602860 8	GC55 VAC	10" 5.5hp Saw with Vacuum Attachment System. Includes wet kit. Vacuum not included.
Accessories: Convert your existing GC55 into the new GC55 Vacuum version by purchasing this accessory kit.		
70184602861 5	233933	GC55 Vacuum Attachment Accessory Kit Includes: Fully assembled cutting arm with belt guard, belt, and blade shaft; Blade guard with vacuum port and skirt; Stay level arm; All hardware. Does not include GC55 saw, vacuum or wet kit.

FEATURES & BENEFITS

- Compact design for easy transport and lifting
- Patented concave wheels allow for smoother, straighter cuts
- Blade is located in center line of saw for better performance
- 10" blade capacity for 3-1/2" depth cut
- 5.5 hp Honda engine for strong, durable performance

A WINNING COMBINATION!

Whether you cut green, cured, or are in the decorative concrete business, the GC55 and GMAX blade are the perfect combination!

NORTON CLIPPER GMAX DIAMOND BLADE

Increasing the performance of the Norton Clipper GC55 is the Norton Clipper GMAX diamond blade. Having a thicker core to resist flexing provides a straighter and faster cut for less spalling. The anchor slot gullet technology increases productivity by reducing vibrations for a smoother cut while keeping the blade cool and extending its life. Other GMAX blades are also available in hard, medium/hard and medium/soft aggregate sizes as well.

FEATURES & BENEFITS

- Thicker core resists flexing or bending
- Premium bond and diamond for faster and smoother cuts
- Anchor slot gullets reduce vibrations for smoother cuts / long life

Anchor Slot Gullets

PART #	MODEL	SIZE	MAX RPM
70184683758 3	NXDGRN0895	8" x .095" x 7/8"-5/8	8730
70184675125 4	EE9110	9" x .110" x 7/8"-5/8	6600
70184684508 3	EE10110	10" x .110" x 1-7/8"-5/8	6115
